The Spencer American Legion Gaudette-Kirk Post 138

As a veterans organization and the only veterans service hall in Spencer, we are proud to support our local veterans and the local community. Our building is used by several Boy/Girl Scout groups as well as the elderly, and other not-for-profit groups looking for a safe environment to host activities. For over 100 years, the Post and its members have been servicing local veterans and the memories of those who have passed. As a sponsor of this event, you have the opportunity to show your support by advertising at one of our corporate levels.
